Dear Valued Customer,

Thank you for your continued support for InteReq.

As part of our ongoing effort to enhance our service delivery, we will be introducing a new data field in the online application form for you to input "Date of Completion" for S.47 Certificate under the Building Maintenance Strata Management Act (BMSMA) requisitions with effect from 1 October 2019.

The completion date will be useful to Managing Agents who will be able to prioritise their replies in a timely manner. In the future, it will also be critical for us to facilitate S.65 submissions under the BMSMA via InteReq. It is expected to be ready in end December 2019.

Should you require more information or technical assistance, please contact us at 6887 7888 and our team will be more than happy to assist.

Sincerely,

InteReq Team
